Doctor of Pharmacy (Pharm D) Morning & Evening is a (5) five years Program, at Dow College of Pharmacy, Dow University of Health Sciences.

Dow University of Health Sciences endeavor to bring into existence an academy that is capable of catering the entire aspects of health profession. Pharmacy is an integral part of Health care system. Pharmacy professionals ensure safe and effective use of drugs throughout the society whether in hospitals, clinics or community. Pharmacy aims to enhance public awareness for the appropriate use of medicinal substances and discourage misuse. Similarly Pharmacists also play vital roles in pharmaceutical industry to look after production, research and development, quality control, quality assurance, planning, warehouses, regulatory affairs, sales and marketing and many other capacities thereby leading to an improved overall performance and quality.
