

DOW UNIVERSITY OF HEALTH SCIENCES

IMPORTANT INSTRUCTIONS

1. College's choice wise lists have been generated based on the data entered online by the applicants.
2. Candidates have to report to the respective university / college for further processing of admission.
3. Candidates are directed to report to their respective college for fee submission after confirmation from university / college and follow the institutions instructions given by college / university.
4. Each University / College will do the verification of all educational documents and MDCAT result of the admitted students.

Note:

Dow University of Health Sciences clarifies here that DUHS does not directly engage in verification of documents and would not be responsible for any discrepancy / fraud misrepresentation / errors at any stage of admissions.

Admissions Department, DUHS
